

Institute of Geodesy and Geoinformation Science

Opening Ceremony

Master's Program Geodesy and Geoinformation Science

Date: October 13th, 2014

Room: Geodätenstand, 6th floor (the way is clearly signposted)
Main Building of TU Berlin,
Straße des 17. Juni 135, 10623 Berlin

Agenda

- 09:00 – 09:15 Welcome Addresses from the Representatives of the Technische Universität Berlin, Faculty VI and the Institute of Geodesy and Geoinformation Science (IGG)
- Mr. Prof. Dr. Neitzel (Managing Director of the IGG)
- 09:15 – 09:45 Introduction to the Master's Program
- Mr. Prof. Dr. Neitzel (Dean of Studies)
 - Mr. König (Coordinator of the Master's Program)
- 09:45 – 10:00 Break
- 10:00 – 10:15 Introduction of the "Fachschaft"
- Mrs. Falkenberg (Student Councilor)
 - Mr. Wahl (Student Assistant)
- 10:15 – 13:00 Presentation of the Chairs and Main Research Topics
- Mr. Prof. Dr. Neitzel: Geodesy and Adjustment Theory
 - Mr. Prof. Dr. Löwner: Methods of Geoinformation Science
 - Mr. Prof. Dr. Hellwich: Computer Vision and Remote Sensing
 - Mr. Prof. Dr. Schuh: Space Geodesy
 - Mr. Prof. Dr. Galas: Precise Navigation and Positioning
 - Mr. Prof. Dr. Oberst: Planetary Geodesy
 - Mr. Prof. Dr. Flechtner: Physical Geodesy
- 13:00 – 14:00 Lunch at the „Geodätenstand“
- 14:00 – 15:00 Campus Tour
- 15:15 – ... Cake and Parting Drink at the "Geodätenstand" (open end)
